MSHS
Pacific Power Group
An Industrial Service Solutions® Company

MSHS Pacific Power Group (PPG), an Industrial Service Solutions® Company (ISS), specializes in designing, selling, and servicing power and propulsion systems in the power generation, industrial, marine, and defense sectors.

With full-service workshops in Alaska, California, Florida, Hawaii, Louisiana, and Washington, MSHS PPG ISS technicians and engineers operate worldwide helping customers with reliable and flexible maintenance, repair, and overhaul services for all types of prime movers and control systems, including gas, diesel, and dual-fuel engines, as well as steam, gas, and hydro turbines.

With over 60 years of experience, MSHS PPG ISS ensures power and propulsion systems operate at peak efficiency through enduring partnerships that Power & Propel the world forward.

Pacific Power Group, authorized distributor service partner (limited by states)

mtu A Rolls-Royce solution | DETROIT DIESEL | VOLVO PENTA | YANMAR

MSHS, authorized distributor service partner

WOODWARD Business Partner | BERGEN ENGINES ON LAND. AT SEA. | FPT POWERTRAIN TECHNOLOGIES | Napier TURBOCHARGERS A Wabtec company

Our Value

We create value for our partners through technical expertise and experience while cultivating relationships rooted in trust, safety, quality, and our core values.

Respect | Agility | Accountability | Integrity | Learning

- Save Money
- Extend Systems Life
- Improve Productivity
- Increase Efficiency
- Improved Safety
- Obtain Control
- Provide Visibility
- Peace of Mind
- Reduce Emissions
- More Uptime

Key Differentiators

- Largest Woodward Channel Partner (Americas)
- Onsite/Field Service & Workshop Capabilities
- Comprehensive Engine Overhaul & Repair
- Custom Engineered Solutions & Controls
- Highly Trained Engineers & Technicians
- ISO Certified / NFPA 110 Compliance
- In-House Applications Development
- Brand Agnostic Solutions
- 24/7 Emergency Support
- In-stock Parts Inventory
